

Dear Policyholder/Certificate Holder,

A recent Executive Order issued by Governor Cuomo, together with recent amendments to the insurance and banking regulations (the “regulations”) issued by the New York State Department of Financial Services (“Department”), extend grace periods and give you other rights under your individual, small group or student blanket comprehensive health insurance policy if you can demonstrate financial hardship as a result of the novel coronavirus (“COVID-19”) pandemic. These grace periods and rights are currently in effect but are temporary, though they may be extended further. Please check the Department’s website at <https://www.dfs.ny.gov/consumers/coronavirus> for updates.

- A copy of the Executive Order and regulations can be found at <https://www.governor.ny.gov/news/no-20213-continuing-temporary-suspension-and-modification-laws-relating-disaster-emergency> and https://www.dfs.ny.gov/system/files/documents/2020/04/re62_a59_text.pdf, respectively

Your insurer should be sending you information regarding these amendments, summarized as follows:

Insurance Payments - Grace Period

If you can demonstrate financial hardship as a result of the COVID-19 pandemic, your insurer must extend the grace period for the payment of premiums and fees under your student blanket comprehensive health insurance policy to the later of the expiration of the applicable contractual grace period and 11:59 p.m. on June 1, 2020. If you do not make a timely premium payment and can demonstrate financial hardship as a result of the COVID-19 pandemic, your insurer may not impose any late fees relating to the premium payment or report you to a credit reporting agency or a debt collection agency regarding such premium payment.

How to Demonstrate Financial Hardship

If you are unable to make a timely premium payment due to financial hardship as a result of the COVID-19 pandemic, you may submit to your insurer a statement that you swear or affirm in writing under penalty of perjury that you are experiencing financial hardship as a result of the COVID-19 pandemic, which the insurer shall accept as satisfactory proof. Such statement is not required to be notarized.
